**Notification: Renewal of “NEW SERRICO”**

Dear Valued Customers,

It has been a pleasure to serve you, and we look forward to serving you continuously in days to come.

We, FUJI FLAVOR CO., LTD would like to announce the renewal of our product NEW SERRICO, by integrating sex lure (sex pheromone) and food lure (food attractant), 2 lures will be reduced to 1 to improve its functionality and ease of use, but with no change in the attraction performance compared to the existing product.

Please refer to the following details:

1.) Details of change:

- Lure
  - By integrating sex lure (sex pheromone) and food lure (food attractant), 2 lures will be reduced to 1, with the advantage of improved workability and reduced waste
  - Improved easiness of tearing by changing thickness of strip packaging from 15 micrometers to 9 micrometers
- Trap
  - Improved ease of record keeping by adding a calendar and a field for filling in the number of insects
  - Improved water resistance reduces trap warpage due to humidity effects
  - Other minor design changes

2.) Change Period:

- This change will be effective from the time we receive your next order
-
