Dear Valued Customers,

Re: Serrico Seminar 2020

We are pleased to announce that on February 7<sup>th</sup>, 2020 the annual 16<sup>th</sup> Serrico Seminar has successfully took part in Tokyo Ochanomizu Gakushi-kaikan. We would like to express our sincere thank you to all of the parties who has attended to this seminar. The outline of the seminar will follow;

Theme: “Stored-products insects contamination risks and monitoring possibilities in the view point of ecology”

Lectures:

1. Usage of pheromone traps applicable for multiple insects
2. Ecology of targeted insects in TORIS and how to start monitoring
3. Characteristics of Tribolium (Tribolium castaneum/confusum) and improvements in lures

Others:

Notification from Domestic Sales Department, Official Dinner

With the contribution of all attendants who was willing to make a lively discussion, the seminar was concluded with great success. Thank you for your corporation and we expect continuous relationship with you.

Sincerely yours,

Masahiko, KIKUKAWA  
Head of Ecomone Headquarters, Member of the Board
